

Welcome to restaurant Fris,

Fris offers **honest** cuisine with recognizable **high-quality** products, served in a relaxed atmosphere. It goes without saying that we only work with **fresh** seasonal products, preferably from the best **Dutch suppliers**.

We are a young, ambitious team that strives for perfection. At Fris we not only have **respect** for the products and it's season, but also for the **guests** and **staff**. We want to give the guest an **unforgettable** evening.

Let Chef **Rick** surprise you with the **JRE** Menu. A beautiful menu composed with love for the season.

Our Maître/sommelier **Paulina** has selected beautiful gems of wines to accompany the dishes.
